A Message From Our Grand Knight

Dear Brothers,

This month we should begin preparing for the next Columbian year by building our new slate of officers for 2017-2018. Please consider running for these offices which are important for our Council to function. Not only are the council offices important, but the committees are also important (Youth, Pro-Life, Fish Fry, Food Drive, Intellectual Disability Drive, and Round Table Leaders).

May 19 and 20 are the dates for the State Convention which will be held at the Town and Country Hotel here in San Diego. There are many functions, all of which, even a first degree Knight can participate in. The State Convention has many opportunities for both fun and learning about the many missions the California Knights support.

We are still trying to hold 2-3 more fundraisers for the support of our general fund. The council has budgeted two more pancake breakfasts and one more Spaghetti Dinner. We don't have solid dates as yet.

Please come to the May business meeting on May 10th to support the Council and to volunteer for a committee position, I look forward to seeing you there!

Vivat Jesus!

Knight of the Month

Our Knight of the Month is Brother Dennis O'Connell. Dennis has supported many of our recent fundraisers including the St. Vincent's Fish Fry and the Bishop Flores Catholic Education Banquet at Our Lady of Peace. Thank you Dennis for being a big proponent!

St. John's Pastor Named Auxiliary Bishop

The joy of the Easter season is amplified for the diocese of San Diego today in Pope Francis' appointment of Father John Dolan as our new auxiliary bishop. Father Dolan was raised in Saint Mary Magdalene Parish and ordained for the diocese of San Diego in 1989 after studying theology at Saint Patrick Seminary in Menlo Park, California. The whole of his priestly ministry has been focused upon the life of the parish, and he has been pastor at Saint Mary Star of the Sea in Oceanside, Saint Michael Parish in San Diego, Saint Rose of Lima in Chula Vista, Saint Michael in Poway and Saint John and Saint Vincent Parishes in San Diego. He presently serves as the vicar for Clergy in the Diocese.

Bishop Robert McElroy noted two central characteristics of Father Dolan's priesthood: the great love which he has for the priests and the people of God, and the intensely joyful spirit that permeates his life and mission. "Our local church" Bishop McElroy said, "will be deeply blessed by these gifts in Bishop-elect Dolan's new episcopal role of leadership, sacrifice and prayerful service."

When told of his appointment, Bishop-elect Dolan said "I am profoundly grateful to his Holiness Pope Francis for this honor, and I look forward to accompanying Bishop McElroy in his ministry to this beautiful diocese in which I have witnessed the presence of God's love continually for the whole of my life."

The episcopal ordination of Bishop-elect Dolan will take place on Thursday, June 8, at 2:00 p.m. at Saint Therese of Carmel Church in Del Mar.

Liberating a Continent:

John Paul II and the Fall of Communism, the Emmy award-winning documentary film, is now available to stream on Netflix!

Narrated by actor Jim Caviezel and with original music by renowned composer Joe Kraemer, the film documents St. John Paul II's role in the fall of communist rule in Central and Eastern Europe. It explores how his spiritual leadership ensured a revolution of conscience that was pivotal in Poland's Solidarity movement, which contributed to the collapse of the Iron Curtain in 1989.

Also available is a guide to the film, which can be found here. <http://kofc.org/en/resources/college/liberating-continent-study-guide.pdf>

Statement from Supreme Knight Carl Anderson:

Photo Credit: (CNS photo/Larry Downing, Reuters)

“We applaud President Trump’s executive order on religious liberty. While there is still work to be done to restore the reverence for religious freedom enshrined in the First Amendment, this order marks an important step in restoring those constitutional principles guaranteed to every American. Guided

by their beliefs, people of faith contribute in important ways to every aspect of this country, and this order will begin to restore the principles upon which this country was based: that people of faith should be able to exercise that faith with the protection rather than the opposition of their government.”

Bishop Flores Catholic Education Scholars Tuition Drive

We just celebrated Easter and we are now entering the Easter Season. That also means that the school year is quickly coming to an end and preparation is already underway for the next school year.

The chapter would like to invite you to help out those students who want to have a Catholic Education but finances will prevent them from living out their dream.

One of Brother Knight Bishop Flores’ Dreams was to help provide funding for those students.

As Knights of Columbus we have the opportunity each year to provide assistance to these students through the Bishop Flores Catholic Education Tuition Drive.

This Easter Season implement your drive at your parish and among your council or assembly members. The chapter encourages you to participate as a council, assembly and as an individual.

The diocese has set up a special page where you can make a pledge or initiate your donation.

"Always start each project with an outline. It will give you the right direction." Experience tells us that the same idea works when it comes to getting ahead on the job - or in planning for individual or family security. But, in the latter kind of planning your outline cannot be completed alone.

Rely on the trained advice of your Knights of Columbus Insurance Agent and the Order's long and practical experience in the life insurance business

to help you prepare your plans for the years ahead. I will be happy to help you chart and build a sound economic future. Better yet, I'll do it with an individual insurance plan keyed to your own needs and goals. This sort of professional counsel is available at absolutely no obligation .. just through a telephone call to me for an appointment. Life insurance programming is a service you should have and one that I provide.

District Deputy Report:

Brothers, while I always push membership, that's usually from the standpoint of new membership- the men who increase our numbers, keeping us as the only fraternal organization actually growing in end-strength. Membership also includes retention of course, keeping our members connected and in good standing, but sometimes that isn't always successful. Through no fault of the active members of the council, we may lose contact with some members- they move, they change numbers, switch email addresses, etc. If that happens, they fall out of good standing, no longer paying dues. The State Council has a researcher who can help track down missing Knights and he should be used. As for others, we have a program for Knights in need, the Columbian Charities 365 Club, but your dues should not be used for paying the dues of delinquent, but capable Knights and sometimes, after trying repeatedly to contact them, we may have to part ways.

There are exceptions- any Knight out of work or underemployed, deployed, injured or caring for injured family, or insured with the KofC should be given special consideration and not considered. If you're reading this and haven't been in touch in a while, you haven't been paying your dues, please contact the Financial Secretary to make arrangements.

I'll pitch the state convention once again, which is May 18-20. Having it here every other year is a real blessing and provides an opportunity to hear what great things the KofC does, interact with other Knights, learn about their programs, learn best practices, and so much more. Please consider attending one or more of the general sessions and the banquet. I have the resolutions here if you'd like to see them- getting payments online are two important ones, and the candidates for State Office are there as well.

Father McGivney's Birthday, founders Day, was March 29, Please keep praying for his canonization, join the guild, read the newsletter, etc. The intentions of guild members are included in weekly Masses, periodic special Masses and novenas. To join the guild, visit fathermcgivney.org.

Finally, talk to the RCIA candidates, ask your pastor for a list of them and ask him to encourage membership.
